

The Experience

The Delta Debutante Scholarship Experience seeks to:

- Motivate higher academic achievement
- Encourage participants to dream bigger, envision, & set lofty career goals
- Develop business and social etiquette skills
- Expose students to purposeful workshops, forums, & successful professionals to stimulate their growing success.

Additionally, students are involved in various community service projects to develop an awareness and commitment to advance and give-back to our communities.

The six-month developmental experience culminates with our elegantly formal Debutante Scholarship Ball. Debutantes are presented to society and awarded earned scholarships and program awards.
